

THE 16TH ANNUAL 2026 FUTURE QUEST

FUTURE QUEST! is an action-packed week-long leadership camp focusing on careers and culture for Chenega Corporation shareholders and descendants ages 11 to 18 – entering grades 7th through 12th. This event focuses on helping Chenega youth develop life skills and learn about traditional values, as well as training programs, college options, and career opportunities available after graduation.

Students will focus on the 10 skills for success.

Students will also participate in a financial skills workshop, career exploration, and visits to post-secondary institutions.

10th - 12th graders will practice mock interviews at the Chenega Corporate headquarters, as well as write resumes and complete scholarship applications.

WHEN: AUGUST 10-15, 2026 **DEADLINE TO APPLY: SATURDAY, JUNE 6, 2026**

THE 16TH ANNUAL 2026 FUTURE QUEST

This year's event will be held at the Chugach School District's Voyage to excellence Facility in Anchorage.

Travel, housing arrangements, and a meal stipend will be provided for those traveling outside of Anchorage.

Space is available for the first 26 students who register, so sign up now! Applications can be downloaded from the CFI website at: www.chenegafuture.com/workshops-conferences-camps. Once registration is full, students who apply will be placed on a wait list on a first-come-first-served basis.

"I would like to personally thank you for all my years I have attended Future Quest. It has shown me all the opportunities I could have. Attending Future Quest has helped me with creating my resume. Throughout the years I have made friends and become close with some cousins. One of my favorite learning experiences is the Fab Lab we went to in 2022. We did laser printing and filled it with resin, and I also made a ring out of resin. I really enjoyed attending Future Quest and if there's any possibility I could work with the program in the future, I would be happy to be there."

- Amelia Elgarico

"I have been going to Future Quest since I was 14, and I am seventeen now. Coming to Voyage School every year has certainly been a highlight of my summers. I have a better understanding of the workforce and my options for when I graduate, which otherwise would have been much, much more daunting. It is also amazing being able to see the glaciers, visiting the Heritage Center, meeting all the other Chenegians... just everything has been great. Thank you for all these epic years!"

- Stepanita Kompkoff

"Thank all of you so much for this opportunity to meet our cousins (both blood and not) and learn about all our options for the future. This camp has truly helped me think more critically on what I want to do after high school. We are also very grateful for you guys flying us out so that we could attend. We really enjoyed going to the Matanuska Glacier. Being able to see and walk on it was an amazing experience that we are very lucky to have had. Many people will never even be close to a glacier. Thank you for funding all of our activities, we had a lot of fun. Thank you all!"

- Judah Lehman-Selanoff & Jethro Lehman-Selanoff
